PROGRESS REPORT Computer Science and Information Technology Departments 3rd Term SY 2025-2026

1. Progress reports are required for students taking the course **IT0027 -IT PROJECT MANAGEMENT**. This will be submitted weekly to monitor and reassure the academic progress of each group, that the project is going smoothly, and that it will be completed on the expected date.
2. Progress reports are the responsibility of the group and the Project Adviser. The Project Adviser ensures that each group submitted the form by the required date. This will be filed and used for evaluation.
